10 New San Francisco Venues for Spring Meetings and Events

1. Temple Nightclub

San Francisco's popular **Temple Nightclub** (<http://www.bizbash.com/temple-nightclub/san-francisco/listing/888217>) complete redesign, reopening in October. The 20,000-square-foot nightclub, located in SoMa, now features a 50,000 add immersive lighting sculpture and a Void Air Motion sound system. The venue comprises three different rooms: The me holds 750 guests for receptions and includes two full bars with one mezzanine-level bar. It also has a 16- by 12-foot stage booth, and a 4- by 20-foot LED for visual projection. Another space, called LVL 55, holds 350 for receptions and offers a enclosed DJ booth. The Infinity Lounge holds as many as 150 guests for receptions and includes a full bar, customizable and energy-generating dance floor. The entire venue is available for buyouts.
